4. **Recommendation to SMC Board of Supervisors on Middlefield Road Redesign. \***

The NFOCC recommends that the Board of Supervisors direct staff to develop a preliminary design for the reconstruction of Middlefield Road between 5<sup>th</sup> and Pacific Avenues that includes the following elements:

- Three traffic lanes
- Bike lanes
- Sidewalks wide enough to accommodate street amenities including:
  - Benches and other seating
  - Greenery
  - Street and pedestrian lighting
  - Trash and recycling receptacles
  - Street art
  - Public spaces
- Parallel parking

The NFOCC also requests that concurrently with the development of the draft design three additional reports be prepared:

- A signalization and traffic management plan for the project area
- Parking recommendations
- A local business sustainability plan

The NFOCC would like to review and comment on the preliminary design and the initial draft of the three additional reports prior to these documents being finalized.
