<p>Emergency Response Update</p>	<p>Jeff Norris, Office of Emergency Services, presented the following information:</p>	

	<ul style="list-style-type: none"> ○ The County of San Mateo and several partnering agencies are working together on a countywide Hazard Mitigation Plan and are seeking public input at an upcoming community meeting on Thursday April 21st from 5:30pm to 7pm. The plan will help to open up possible federal grants in the near future. ○ Exploring the possibility of assembling a partnership with the council on outreaching to the NFO Community on workshops and trainings. ○ Reminder to sign-up for SMC Alert. <p>Public Comment: Janet Davis, property owner in North Fair Oaks, mentioned that the SMC Alert is not as effective as other websites that are out there.</p> <p>Councilmember Laura Caplan asked how does one sign-up for the SMC Alert. Jeff mentioned that you go to www.smcalert.info to fill out the information and an account will be generated.</p> <p>Councilmember Rafael Avendano asked if the alerts are in Spanish. Jeff mentioned that they are working to see if automatic translations can be possible. In the meantime, for severe disasters the Office of Emergency Services tries to translate the notifications in Spanish before they send out an alert.</p> <p>Councilmember Everardo Rodriguez mentioned that the council should have a study session or discuss at a future council meeting about partnering up with the Office of Emergency Services to conduct a Spanish preparation training.</p>	
<p>Sustainable Transportation Encouragement Program: Active Transportation Grant for North Fair Oaks</p>	<p>Ellen Barton, Active Transportation Coordinator Office of Sustainability, provided the following information:</p> <p>The San Mateo County Office of Sustainability in partnership with Redwood City 2020 has been selected for award of a \$963,000 grant for the Sustainable Transportation Encouragement Program (STEP) in North Fair Oaks. STEP is a three-year education and encouragement program centered on expanding the Safe Routes to School program and offering expanded services to the whole community to reduce traffic congestion and increase walk/bike/active trips.</p> <p>STEP was awarded funds through this competitive grant program because it addresses three key issues in North Fair Oaks:</p> <ul style="list-style-type: none"> • High traffic crash rates • High rates of traffic congestion 	

	<ul style="list-style-type: none"> • Elevated health risk factors <p>The implementation of this program will occur in 2017-2019 and a final project report will be presented in June 2019.</p> <p>Chair Rafael Avendano stated that he would like to share the data with the youth.</p> <p>Councilmember Beatriz Cerrillo mentioned that she like the report and the designated dates on when the safe routes to school will occur.</p> <p>Councilmember Linda Lopez asked who will be leading the plan. Ellen mentioned that RWC 2020 will be continuing their Safe Routes to School program but the grant provides additional programs and staff support to them.</p> <p>Councilmember Ever Rodriguez mentioned that the program should consider looking into creating more bike paths in North Fair Oaks.</p> <p>Councilmember Laura Caplan mentioned that the program should also identify ways to improve walking paths in North Fair Oaks</p>	
<p>Presentation on NFO Forward 2016 Strategies</p>	<p>Jenifer Logia, NFOForward, provided the following information:</p> <ul style="list-style-type: none"> • NFOForward mission is still to develop a better neighborhood, for our neighbors, in collaboration with our neighbors. • NFOForward had a staff retreat to develop a plan for 2016 and out of the retreat came five areas of fouds: <ul style="list-style-type: none"> A. Communtiy Expectations B. Parking C. Quality of Life D. Economic Prosperity E. Communtiy Education • Part of the plans for 2016 is looking into vacant lot opportunities, community input, renter survey, strategies to reduce illegal dumping, and updating the parking study. <p>Chair Rafael Avendano asked if the county could update the Council on activities going on in North Fair Oaks .</p> <p>Councilmember Linda Lopez asked who developed the plan. Mike Callagy, County Manager’s Office, mentioned that the plan was developed in partnership with his office and Dsitric 4.
